(A) There is no use giving copies of this book to Temples or Sanskrit Schools whose standard is low. The proposal of the M.C. cannot therefore be supported.

The DI had recommended the purchase of 25 copies and only 5 were taken. The purchase of the remaining 20 may be authorised according to his proposal and the necessary orders may be issued from Education Branch. Copies bought may be supplied to High & Normal Schools as suggested by him. Even in these Schools the book will not be of much use as it deals with ~~Biographi~~ philosophical problems. As an encouragement to the author however 20 more copies may be bought for Education dept

Sir,

I have the honor to submit herewith an application dated 8th March 1926 presented by Mahamahopadhyaya Pandita Ratnam Pandurangi Laksmipuram Srinivasa Iyengar, Vaishnadvaita Vedanta Professor, Maharajas Sanskrit College, Mysore, stating that after ten years research he has published a book called "ಶ್ರೀವೈಷ್ಣವಸಂಪ್ರದಾಯಪರಿಚಯ" comprising many Sastras and rare publications and praying that 100 copies of the book may be purchased for sale in the Sales Depots ----- Patasalas under the control of the Muzrai Department.

The Agama Parikshakar of this office is of opinion that such an useful book containing the main points of different Siddhantas and the nature of Agama Sastras has not been published in any book till now.

Having regard to the usefulness of the publication and the immense pains that the learned author has bestowed on the work, I beg to solicit sanction of Government to purchase 50 copies of the book, the charge, viz., Rs.300/- being met from the Income of the Institutions to which copies of the book are supplied.

A sample copy of the book sent by the publisher is sent for perusal and kind return.

I have the honor to be,
Sir,
Your most obedient servant,

Query:- Is there any provision for harmonizing the two depts' work in the books sold at the price of Rs 6/- per copy? Any recent precedents?
